NOTICE OF JOB VACANCY
#17-281

An opportunity currently exists in the classified service with the Department of Law and Public Safety, Division of State Police, for Department of Law & Public Safety employees who meet the requirements specified below:

TITLE: Marine Mechanic
SALARY: \$43,365.48 to \$61,105.11
LOCATION: Division of State Police
Special Operations Section
Marine Services Bureau
River Road, W. Trenton, NJ

NUMBER OF VACANCIES: Two (2)

DUTIES: Under direction of a Crew Supervisor or other supervisor in the Department of Law and Public Safety, inspects, maintains and repairs marine vessels, engines and other equipment used on state patrol vessels; does other related duties.

REQUIREMENTS

EDUCATION: Successful completion of a training program in marine mechanics at a recognized vocational or technical school, resulting in certification to service and repair marine engines. Marine mechanics training programs completed in the United States Military are acceptable.

EXPERIENCE: Two (2) years of experience in the installation, maintenance, and repair of gasoline and diesel marine engines and related marine equipment.

NOTE: Applicants who do not possess the required education may substitute one (1) additional year of experience as indicated above.

LICENSE: Appointees must possess a valid Motor Boat Operator's license issued by the New Jersey Motor Vehicle Commission.

AND

A valid Boating Safety Certificate issued by the New Jersey State Police.

NOTE: An Operator of Uninspected Passenger Vessels License or a Master's License issued by the United States Coast Guard, currently valid for the type and size vessel being operated, may be substituted for the Boating Safety Certificate. Appointees must possess a driver's license valid in New Jersey.

CERTIFICATION: Appointees are required to possess a Marine Mechanic certification appropriate to the level of engine repair.

Appointees must obtain a Marine Travel Lift Training Certification within one (1) year of appointment.

Appointees responsible for the repair and/or servicing of vessel air conditioning systems are required to possess and maintain certification for the installation and recovery of refrigerant, commensurate with the type of equipment being serviced.

Appointees may be required to successfully complete retraining and obtain certification in the service and repair of marine motors provided by the appropriate marine engine manufacturers as determined by the appointing authority.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

RESUME NOTE: Eligibility determinations will be based upon information presented in resume only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency prior to the closing date. Failure to do so will result in your ineligibility.

If interested, please send a cover letter indicating job vacancy #17-281, current resume, and the required licenses and certifications itemized above before the closing date of November 15, 2017 to:
