Operations Support Unit  
River Road, W. Trenton, NJ 08628-0068  
(Statewide Travel Required)

**NUMBER OF VACANCIES:** One (1)

**DUTIES:** Under direct supervision of the Operations Support Unit supervisor or designee, in the Division of State Police, is actively involved in the repair and maintenance of Troop Car Mobile Data Computers (MDC) and all related peripheral devices, including software and hardware; maintains hardware parts inventory required for MDC repairs so repairs can be made in a timely and efficient manner; maintains the tool inventory necessary, including electronic testing equipment, required for MDC repairs, and stores tools in issued service vehicle to be deployed at any given time; provides various technical support services, including training, to end users of MDC units, as required; maintains precise and accurate records of all repair services performed on MDC's, and briefs supervisor of errors or issues, when requested; maintains all software updates/upgrades and images for field re-imaging of MDC units; ensures continuous security and confidentiality of all Division data, particularly Criminal Justice Information (CJI) and Personally Identifiable Information (PII), by confirming that all MDC safeguards are in place and operational; performs other related duties as required.

**REQUIREMENTS**

**EDUCATION:** Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.

**EXPERIENCE:** One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.

**NOTE:** Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management).

**NOTE:** A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience.

**NOTE:** A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree.

**SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION:** Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

**NOTE:** Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

**LICENSE:** Appointees will be required to possess a driver's license valid in New Jersey as travel is necessary to perform the essential duties of the position.

**RESUME NOTE:** Eligibility determinations will be based upon information presented in resume only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency prior to the closing date. Failure to do so will result in your ineligibility.

**If interested, please send a cover letter indicating job vacancy #18-19 and current resume before the closing date of March 23, 2018 to:**
